

Capturing Lives in Scotland's Communities

Week 1: Discussion Group Session

Here are some topics that we might cover in this week's discussion group session:

- You'll meet your staff member and mentors and they'll ask you all to introduce yourself to each other: your name, age and where you're from.
- We want to know: What do you think is unique about where you live?
- What objects did you pick to draw for your first activity? See if the others can guess why you chose them.
- What are your favourite types of art? Why?
- In what different ways can we use art to document or capture life in our communities?
- Where can we find art in our every day lives?

Don't worry, these sessions are designed to be informal and relaxed so these are just a guide. There will also be plenty of opportunities for you to ask any questions you may have.
